"Thy word is a *lamp* unto my feet and a *light* unto my path" Psalm 119:105

**October, 2011**

Dear Lamplight Family,

We are pleased to share with you the exciting things that God is doing through Lamplight Ministries in many different countries. Praise the Lord. We are grateful to you for your prayers and for your financial support that enables us to help many people around the world.

**COMMENTS FROM PEOPLE WHO HAVE  
BEEN HELPED BY OUR PUBLICATIONS**

If you would like to see the effect of your prayers and your contributions, please visit our website at [www.lamplight.net](http://www.lamplight.net) to see 569 comments from people in 41 different countries who have been helped by our books and Scripture cards. You can order our publications from our website, from our post office box or the 800 telephone number at the bottom of this page.

NOTE: We receive testimonies from people in many countries. We very seldom mention the names of people who give us comments. Now or in the future that person might be persecuted because someone saw his or her name online sharing a Christian testimony.

**A FORMER MUSLIM MAN FROM GHANA WHO BECAME A CHRISTIAN WILL BE SHARING *WHAT DOES GOD SAY?* WITH HIS FAMILY AND WITH OTHER MUSLIMS.** This man said, "Several months ago, you sent me a copy of your book titled *What Does God Say?*. This book is amazing. First of all, I could understand it. My English is not great. I have been a Muslim all my life. I was taught as a child what I was supposed to believe. When I was searching for real truth, I met the Master and received Jesus Christ as my Savior. When I read your book, it filled so much of the void and loneliness that I was filled with. I will be sharing Jesus and *What Does God Say?* with my family and with other Muslims. Please pray for me as I may not be welcomed in my own home town for finding this wonderful Jesus."

**A PASTOR FROM SWAZILAND SAID THAT OUR BOOKS HAVE HELPED HIM TO COPE WITH THE DEATHS OF HIS FIRST WIFE AND HIS SECOND WIFE.** This pastor said, "Your books have helped me with personal tragedy. My first wife died ten years ago. I remarried two years later. My second wife died three years ago. I was just married three months ago to my third wife. Your books, *Deep Inner Peace* and *Victory Over Adversity* helped me greatly to come out of all of these situations victoriously. Your books have helped our ministry to flourish. I often use these books to teach and preach. We use your books as manuals in all of our conferences."

**AN INMATE IN A FEDERAL PRISON IN FLORIDA SAID THAT SEVERAL OTHER INMATES ACTUALLY ARE STEALING OUR BOOKS.** This man said, "I have not had anything stolen from me since I have been incarcerated in prison except for one thing. I keep losing

the books that you sent me. These books have helped so many people that know guys are literally stealing them, thinking that whatever made someone else happy would do the same for them. I have listened to men tell what your book *What Does God Say?* has done for them. They are just thrilled with this book. One man from Guatemala said that this book was so easy for him to read that he understood the things of God for the first time until someone stole his book. Even the books that I have donated to the chapel library are being stolen. This shows that there are many people who want to find freedom and peace in their hearts in any way. (We do not condone stealing our books, but we will continue to send copies of our books to this federal prison to replace any of our books that have been stolen.)

**A TEACHER IN A SCHOOL OF HEALTH SCIENCE IN BOTSWANA USES *RECEIVE HEALING FROM THE LORD* TO TEACH HIS STUDENTS WHEN THEY GO TO HOSPITALS.** This man said, "I received your book *Receive Healing from the Lord* last December. Many times when I take my students to hospitals I urge them to use the Word of God from this book to minister healing to their patients. I also use this book with my students in their Bible study classes during the Student's Christian Fellowship. I tell these students that God is the greatest Doctor in the world. He is far above all disease and sickness. Thank you for this book."

### COMMENTS FROM JACK HARTMAN

As I write my portion of this newsletter our 23<sup>rd</sup> Christian book, *Effective Prayer*, is being sent to the printer. We believe that we will receive these books from the printer in the middle of November. We will immediately send copies of this book to each person who has contributed toward the cost of this book and to each person who has ordered a copy of this book.

In my research for this book, I read between 50 and 75 books on the topic of prayer. I have never seen any book on prayer that is anywhere near as comprehensive as our new book. We believe that you will be very pleased with the thoroughness of this book and also the simple and easy-to-understand language explaining each passage of Scripture. We praise God, we thank Him and we give Him all the glory.

If you would like to increase the effectiveness of your prayer life, I am certain that the scriptural instructions in this book will help to increase the effectiveness of your prayers. This book is very different from our other books. We are very excited about this book and we believe that you will be too after you read it. If you would like to order a copy of this book, please use the order form at the end of this newsletter.

Interestingly enough, I finished the first draft of our next book that will be titled *Surrender Control of Your Life* almost the same day that *Effective Prayer* was completed. I am 80 years old and I am totally committed to fulfilling God's assignment for my life. I always have to be writing something new. I cannot just keep doing Draft #4 and Draft #5 or books that consist primarily of finetuning.

I believe that *Surrender Control of Your Life* will be a truly unique book. I am very challenged by this book at this stage because there are a lot of loose ends. I normally give each new book to Judy to add her invaluable contributions after Draft #2 is completed. There are still so many details to finalize that I do not believe I will be able to give this manuscript to her until three drafts have been completed.

God's Book of Instructions, the Bible, contains numerous instructions from God telling you to surrender control of your life to Him. *Why* would you ever want to control your own life if you are absolutely certain that God wants to control your life? He obviously can do a much better job than you can.

Once you read the Scripture in this book, you will clearly see that your life does not belong to you if Jesus Christ is your Savior. Jesus has paid the full price to control your life. God always gives every person freedom of choice. You can choose to do whatever you want to do with your life, but we believe that once you see these specific instructions from God that you definitely will want to learn how to surrender control of your life to Him.

We are in awe of the exciting testimonies that we receive from all over the world. Sometimes we do not seem to have enough testimonies for our next newsletter, but God is always faithful. Without exception, He sees that we receive exciting new testimonies each and every month. We are pleased to share these testimonies with you. We give God all of the glory. Please pray and ask your Father if He would have you help us with the cost of sending free books to needy people all over the world. Thank you and God bless you.

## COMMENTS FROM JUDY HARTMAN

Beloved Lamplight family,

We are excited about the printing of our newest book, *Effective Prayer*. We are our own publisher, so we attend to every detail in the process. We have been blessed to have Rose Printing of Tallahassee, Florida, as our printer and their employees as our friends since 1991. We appreciate them so much.

The truck from Benton Express should pull into the little shopping center where our Lamplight office is some time in the middle of November. The delivery day is always the day of the birth of our newest book, a most exciting day for us. Elizabeth will quickly see to the mailing of the book to everyone who is eager to receive it☺ We believe that this book will make a difference in your life.

I had a beautiful time of fellowship in the Lord with Roxanne Novak whose husband is the pastor of The Spoken Word Church in Ladysmith, Wisconsin. You can have a peek at our conversation: "We came across your little daily cards first: I'm not sure where we found them. We began ordering the cards to bless each member with a set of cards. We have read all of your books; they are so Scripture-based. We listen to the cassette tapes all of the time, sometimes we fall asleep listening to Jack. His writing is so solid and Word-based. He shares from the heart, but does not put his opinion. He just speaks the Word. You guys have been a blessing not only to us but also to our church." I asked Roxanne how we could pray for The Spoken Word Church. She said, "Pray for God to keep sending teachable people, hungry and thirsty for the Word and eager to put the Word to work in their lives." Please pray right now and continue to pray for The Spoken Word Church. Go to their website and see a great daily Bible reading and much more! Nothing but the blood of Jesus Christ cleanses us from all sin, (I John 1:7). Each year Jack and I have extensive blood screenings done at a huge mobile screening unit that is parked in front of Earth Origins Health Food Store in Palm Harbor. Joe and Rhonda Alexander, our dear friends, do the

testing. This year I saw in my live blood screening that I had parasites! Yuk! Little bars moving around in my blood! So, I did Dr. Richard Schultze's Five Day Liver Detox to get rid of the unwelcome critters!

I am now being more careful to wash produce. I am spraying the produce with a mist of 3% hydrogen peroxide (available at pharmacies) and a mist of either white or apple cider vinegar followed by rinsing in water. The two together are more effective than either alone, as are husband and wife (Ecclesiastes 4:9-10). Goodbye, critters!

In Florida we prepare each year for hurricane season. We all need to be prepared for any prolonged emergency and to be able to help others should an emergency arise. We need to select food we would really like and that would sustain us and plenty of water if a time arrived that we had to live on what is in the house (Proverbs 6:6; 30:25).

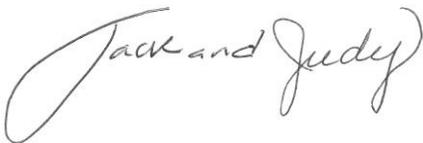

I am sharing a recipe each month on our website. This month is the recipe for what Jack has for lunch every day. Every day he exclaims over how great it is! See it at [www.lamplight.net](http://www.lamplight.net) ☺

I am taking J.C. to the dog beach at Honeymoon Island. He swims back and forth in front of me while I am moving through the water in tennis shoes knee-deep. He keeps looking back at me to be assured that I am still there and then continues his delightful swim. God tells us that He will never leave us or forsake us. We can keep our eyes on Him, knowing He is always there (Joshua 1:3-9; Hebrews 13:5-6).

Please contact me if you would enjoy participating in a live webinar that I would do online. It would be one hour or less. The topics to choose from right now are "How to Share Jesus Christ Every Day," "God's Message to Us Regarding Finances Today," and "How to Know God's Plan for Your Life." I would present a seminar where you can ask questions right while I am presenting, very interactive. God provided technology for us to get together and grow in Him☺

Our desire is that we grow in Christ together.

Blessed to be a blessing, Genesis 12:1-3
