"Thy word is a *lamp* unto my feet and a *light* unto my path" Psalm 119:105

September, 2012

Dear Lamplight Family,

We are pleased to share with you the exciting things that God is doing through Lamplight Ministries in many different countries. Praise the Lord. We are grateful to you for your prayers and for your financial support that enables us to help many people around the world.

COMMENTS FROM PEOPLE WHO HAVE BEEN HELPED BY OUR PUBLICATIONS

If you would like to see the effect of your prayers and your contributions, please visit our website at www.lamplight.net to see comments from people in more than 40 different countries who have been helped by our books and Scripture cards. You can order our publications from our website, from our Post Office box or the 800 telephone number at the bottom of this page.

NOTE: We receive testimonies from people in many countries. We very seldom mention the names of people who give us comments. Now or in the future that person might be persecuted because someone saw his or her name online sharing a Christian testimony.

A WOMAN IN ZAMBIA SAID THAT *RECEIVE HEALING FROM THE LORD* HELPED HER TO OVERCOME HIV/AIDS. This woman said, "I am very grateful for your book *Receive Healing From The Lord*. I am a widow. My husband passed on in 2003 because of HIV/AIDS. Before he died both of us were tested together and we both were found with the virus. However, my husband died. Both of us were on drugs. After his death I received this book. My health was failing me. As I read I thought that if my husband had read this book before he died he wouldn't have died early. I have applied the Scripture in this book to my life. God's Word has become my medicine. I follow the instructions from God's Word in this book. I am happy to mention that for the past six years I have never been sick. I have good health. The Word of God is working in my life. My whole life is dependent on the Word of God. Thank you so much for this book which is highly treasured in my life. This book is my medicine bottle."

A MAN FROM MALAWI SAID THAT *CONQUERING FEAR* HAS HELPED HIM TO BE DELIVERED FROM THE FEAR AND ANXIETY THAT PLAGUED HIM FOR MANY YEARS. This man said, "*Conquering Fear* has changed my life completely. I used to be a very fearful person, especially in terms of the future. I had a lot of anxiety in my life. I have now been delivered from this fear because of your great book. I have been given a job in the military. I am now studying at the university in Malawi. The government has paid for me in school and I receive a salary. This book has helped me to wait on God. I apply the Word of God in this book to my life. My faith has grown. I have put away the fears of this world. God is now first in my life. This book has been a door to my destiny. God bless you for writing this book. I have been blessed by it."

A COLLEGE STUDENT IN NIGERIA SAID THAT *UNSHAKABLE FAITH IN ALMIGHTY GOD HELPED HIM TO OVERCOME DEPRESSION*. This man said, "I am a student at the university studying in pharmacy. I have always had psychological issues overwhelming me. I have been living a sexually immoral life. I hated life. I was seriously depressed. I have had thoughts of suicide. My dad gave me a copy of your book, *Unshakable Faith in Almighty God*. This book has been a God-send to me. It has changed my life. I now trust God for all of the situations I face. Studying your book is the first thing I do in the morning. Thank you so much. God bless you."

A PASTOR IN FLORIDA SAID THAT HE HAS NEVER READ A BOOK LIKE *GOD'S INSTRUCTIONS FOR GROWING OLDER*. This pastor said, "I have never read a book like *God's Instructions for Growing Older*. Finally a book has been written that teaches how to finish our course in life as a Christian. Your chapter on Scripture meditation is pure gold. This book is a road map to direct us in the way the Lord intends for us to grow older. Thank you so much for this special book."

COMMENTS FROM JACK HARTMAN

Now that I have reached the age of 81, I find that my energy level has decreased significantly. I have changed several things that I have done for many years. Judy now pays our bills and does our income tax. She also has taken on additional duties in Lamplight Ministries. I have virtually given up the time-consuming hobby of golf that I enjoyed for 68 years. I also have made several other changes in my life.

I have made these changes because I am absolutely certain that I am in the center of God's will for my life. I am currently working on 3 books at the same time. While I have decreased my expenditure of energy in many other areas, I have significantly *increased* my writing time. At this time, I am well over 200 hours ahead of my writing goals for the year to date. We are helping many people all over the world and I am totally dedicated to spending the rest of my life writing the books that God has called me to write.

We are now on Draft #5 of *You Can Hear the Voice of God*. If Jesus Christ is your Savior, you can be absolutely certain that God is speaking to you throughout every day of your life. God is omnipotent, omniscient and omnipresent. He is able to speak to billions of people all over the world at the same time.

Many Christians do not hear God's voice even though God is speaking to them continually. Not hearing God's voice is roughly analogous to the atmosphere around you being filled with programming from several radio stations. However, you can only hear a particular program if you tune in to the right frequency. If you sincerely desire to hear what God is saying to you, we will help you to tune in to His voice.

The Bible promises that God will teach you, encourage you and guide you continually. However, you must expect to hear Him speaking to you and you must know what His Word instructs you to do to hear His voice. This book will contain hundreds of scriptural instructions that will show you exactly what to do to hear God's voice. Our goal is to have this book published in November or December of this year.

At the same time I am moving steadily along with Draft #2 of our 27th Christian book. This book will be titled *Enter Into the Presence of God*. There is *no* better place to be in the entire universe than to be in the presence of God. What could possibly be more important to you than to be in the presence of God frequently. The Bible says that you can be in the presence of God *continually*.

I am very excited about this book. I cannot honestly say that I have been in the presence of God continually, but this is my goal. I pray that you will join me in studying hundreds of verses of Scripture that will tell you exactly what to do to turn away from this lost and dying world to come into the presence of God. You will receive specific scriptural instructions on this vitally important topic. All of

our scriptural instructions will be explained in simple and easy-to-understand language. Our goal is to have this book in print by late spring or early summer in 2013.

At the same time I am working diligently on Draft #1 of Book #28 which will be titled *Absolute Reverence for the Word of God*. The theme verse of Scripture for this book says, "...this is the man to whom I will look and have regard: he who is humble and of a broken or wounded spirit, and who trembles at My word and reveres My commands." (Isaiah 66:2 AMP)

Your Father wants you to be humble and teachable. He instructs you to tremble at His Word because of your absolute awe and reverence toward Him and His Word. Our goal is to have this book in print in November or December of 2013.

I am very excited about these three books. I know that God is giving us an immense breakthrough with these books. The scriptural contents of these publications are vital to every Christian. Please pray that God will anoint Judy and me as we move steadily forward on completing these three books.

JUDY AND I ARE STILL FOUR PAYCHECKS BEHIND FOR THE YEAR TO DATE.

We were able to make up one missing paycheck, but this last payday we again did not get paid. We are back to four missing paychecks. We pay ourselves a salary of only \$1,000 a month for all of the work that we do for Lamplight Ministries. We are not wealthy. We thank every person who has prayed for us and sent in money for this purpose.

We are not holding back from sending books to needy people around the world because we have not received some of our paychecks. Please pray that God will provide the \$4,000 shortfall in the near future. Thank you and God bless you.

COMMENTS FROM JUDY HARTMAN

Dear Lamplight family,

We love you. We thank God every time we think of you (Philippians 1:3).

WE ARE PREPARING NEW BOOKS FOR YOU☺ Jack in his office and I in my office are preparing *You Can Hear the Voice of God* for you. We both work with no sense of a clock. We are absorbed by passionately searching the Scriptures to find every verse that points to Jesus (John 5:39). We have the most glorious time in the Word of God. Our goal is for you to find meeting with God in His Word the most treasured time of your day.

A NEW FRIEND IS BLESSED BY EFFECTIVE PRAYER, TRUST GOD FOR YOUR FINANCES AND SCRIPTURE MEDITATION CARDS. "My business partner and friend gave me *Trust God for Your Finances* about two years ago and it really blessed me then. So I read it again just recently and then ordered *Effective Prayer* which I just finished reading and this has blessed me as well. Also, the Scripture Meditation Cards are just wonderful. This method of meditation combined with prayer seems to me to be the most powerful spiritual activities. I am still practicing praying in tongues and my wife and I are very hopeful. Psalm 119:105 ("Thy Word is a lamp unto my feet and a light unto my path") has spoken to both of our hearts in the last month. Thank you and tell Jack thanks for me! Blessed to be a blessing!"

PLEASE PRAY FOR US. We both can feel that Lamplight Ministries, Inc. is moving into a new level of reaching the world for Jesus Christ. Our webhost, Ryan Hobus (ctho.com) and his wife felt God telling them to do a makeover of our outdated website as a gift to the ministry. Ryan will be making our website much more easily found on the Internet. Already pastors find us in the Internet cafes in remote areas of the world, but we will be even more visible. found us on August 11. "Thank you, Father.") Please be in prayer about this project for the glory of God. Please pray a special blessing upon Ryan and Mia for Ryan's providing his genius for Lamplight.

Please pray also for our local genius, Gyuen Gyuen, who is from Vietnam and loves the Lord. He will be working locally to connect our website with our database in the office. We have needed this connection for many years. We are coming into line with the technology that God has provided for His people to be most effective in reaching the world for Jesus Christ.

OUR NEWEST BOOK, *GOD'S INSTRUCTIONS FOR GROWING OLDER*, IS BLESSING A DEAR FRIEND IN TEXAS AND SHE IS BLESSING OTHERS! "Thanks for the newest "Growing Old" book. I love it. I read a little every day so I can be an encourager for all my "older" friends, myself, and those under me growing up, too. We so need God's knowledge to shift the current society mindsets of how God portrays us, and desires His best for us. I've got my gift list started." (Giving our publications as gifts is literary evangelism☺)

A BIBLE TEACHER IN FLORIDA USES *GOD'S INSTRUCTIONS FOR GROWING OLDER*. A friend who teaches a women's Bible study at her church told me that she quoted from *God's Instructions for Growing Older* a number of times this week. She said she was able to pinpoint some very specific needs of the ladies through the Scriptures in the book that speak the Word of God so powerfully. If you don't have a copy of our newest book, *God's Instructions for Growing Older*, you can order it from our website, www.lamplight.net, from our 800 number (1-800-540-1597) or by mail. Remember that ten or more items always have a 50% discount and 5 to 9 items have a 40% discount. We invite you to deliver the Word of God to others!

GOD IS SPEAKING TO JUDY. God is telling me to live lightly, to get rid of anything I don't need to bless others with what they need. He is saying to be lean in body (Go to our website to see Olin Idol's free recipe for the Blended Salad for strength and stamina), strong in mind (study the Bible, especially read I Corinthians 13 and Psalm 91 every day), and powerful in my spirit (meditate all day on what I already have memorized). Right now I am focusing on memorizing Psalm 91.

You bless me so when you drop me a note☺ We are so blessed with you to be a blessing to others, (Genesis 12:1-3).
