Dear Lamplight family,

April 2016

Our prayer for you this month: *"Wherefore I also, after I heard of your faith in the Lord Jesus, and love unto all the saints, Cease not to give thanks for you, making mention of you in my prayers; That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him:"* (Ephesians 1:15-17).

Verses and prayer continued on our website under "Ephesians 1:15-17").

DO YOU REALIZE THE RARE GOLD BEING PROVIDED EACH MONTH? Jack is creating fresh Bible teaching each month just as he did in 1976 when the Bible study began with eight people, grew to 300, then a pastor was called; the church, Faith Christian Center, in Bedford, NH grew to over 1000 with a strong missions' program and a Christian school. Jack continued to teach the Tuesday night Bible study from 1976 to 1987. Now Jack is teaching again! *You are receiving new Bible insight from Jack at age 84 each month!*

JACK'S APRIL TEACHING: This month we will study Scripture references where God promises to give His supernatural strength to you. Your Father does not want you to trust in yourself. He wants you to know His promises and to have absolute faith that *He always does whatever He says He will do.* (See Numbers 23:19; Joshua 23:14; and I Corinthians 1:9) (All of the following Scripture references are from The Amplified Bible: *Philippians 4:14; II Corinthians 13:5; Ephesians 3:18* and more; to be continued on our website under "*Jack's April Teaching.*")

JUDY'S MANNA FOR APRIL: *How do we handle pain?* I am starting my fourth week in a recliner with ice and heat on my neck and shoulders from doing three sets of eight repetitions lifting too heavy a weight at the YMCA. Who would imagine that I could injure myself so severely while working on becoming optimally fit? My conclusion is confirmed by this experience: the *Word of God is true* and immersing myself in it brings deep joy to any situation. There are two ways to speak to pain. *One is to speak to Jesus Christ.* Another is to do as was described to me recently about how a person is dealing with torturous pain. She cries out the most ungodly words in anger. (continued on our website under "*Judy's Manna for April.*")

REQUEST FROM PASTOR IN GHANA: "Dear Papa J, We are very grateful and encouraged about God's abundant blessing on you and Mama. You are really blessed for being able to write books at this age. *Truly you are a leader who practices what you write. We still have a copy of your book on long age that you sent us about ten years ago. We request that you send us a copy of each of your books for our library so we can teach from them. We need your books because we don't have Internet access or even funds to stock the library.*" We are sending a complete set of books to this pastor in Ghana. Please pray for him now and please continue to pray☺
