Praying that you increase in the grace and knowledge of our Lord Jesus Christ," (II Peter 3:1 8)

Dear Lamplight family:

Testimony: "I have been greatly blessed by Jack Hartman's books, but most of all by **"Trust God for Your Finances."** For some reason, it finally clicked that I needed to take Joshua 1:8 to heart. I needed to discipline myself to meditate day and night on God's Word. I know that particular scripture requires a couple of other things from me, but the Holy Spirit working through the teachings of Jack Hartman, got me to finally set time aside every day to study God's word. Am I meditating night and day? I can't honestly say that I am, but I'm working towards that goal every day. The book also provided another golden nugget. Thanks to Jack's teaching, I also finally understood that everything I have comes from God and that He owns everything. I'm only a steward of what He has given to me. This has radically changed my giving. Since it isn't mine anyway, it is so much easier to give freely. As a result of being more generous with my money, I have received far more in return. I actually was the recipient of a financial windfall from a totally unexpected source. Jack mentioned in his book that we might receive such a blessing if we would only follow God's Laws of Giving. These are only a couple of the epiphanies that I experienced from reading **"Trust God for Your Finances."** Perhaps of greatest importance, is that from reading this book, I have deepened my relationship with my Savior and my thirst to grow ever closer to Him has grown. I thank Jack Hartman for his painstaking work and obedience to dig through the scriptures in order for us, the reader, to more easily hear the Holy Spirit speaking to us through His Word. God Bless you Jack and Lamplight Ministries. Judy, it has been my privilege to know both you and Jack. I consider Jack both a friend and mentor. Please pass this on to Jack and wish him my best. I start the class on June 15th at my Church. Please pray that Jack's words and the Holy Spirit touch people's hearts." Gary Slipp, Certified Financial Planner, Gorham, Maine
