Dear Lamplight family,

August 2017

We are praying for you and your family the blessing of reading a chapter of Proverbs each day. God will write His principles on every heart for life. **Insure your family daily with God's Word**

NEWS FLASH! A new book is on the horizon: Jesus Christ Gave His Victory to You.

Know anyone with financial stress? I am going through the **Trust God for Your Finances** finance curriculum for the third time, each time with a different group. I will stand on my head to bring your attention to this journey! We provide it for free downloading on our website. I **guarantee** that taking this class brings **freedom!** Gather friends and go through this class together in your home or church.

Please pray as we plan an online pastors' encouragement and teaching presented by our Southeast Asia and India Directors, Dr. Gideon Tandirerung and Pastor Ebenezer Moses. We plan to minister to as many pastors as we can gather together online. God's warriors across the world minister day after day faithfully. We want to bring them together to receive encouragement, ask questions, receive prayer, and be revived, renewed, refreshed, encouraged, and deeply blessed.

From our Southeast Asia Director: "From October 16-19 in Jakarta, Indonesia I will teach 400 pastors from Sumatra and Java the John Maxwell Basic Principles of Leadership. We will find a businessman to print the Lamplight books that we have translated into Indonesian, so we can give them free of charge. I will be ministering in the Christian and Missionary Alliance churches throughout Indonesia (there are 4,000). A student I taught at the Jeffrey School of Theology in Jakarta started a church that has multiplied into 100 churches. He told me he was surprised by the gift of healing that works through him. Last semester he preached among thousands of people and many were healed by God. Now, hundreds of churches want another campaign. He invited me to join him on one in December. He said that people were asking about me, so he invited me to be one of the speakers, because that area knows me well. When I was a student, we went and preached the gospel everywhere." God is opening doors in Southeast Asia!

From our India Director: "We've begun a new ministry to children with Aids." More on India in September. Please add prayer covering for our two Directors and their families.

A new pastor from Kenya: "I've a small group of Christians looking to know God and serve Him alone. We are in a village where people don't know God. It has been our prayer to be the light in darkness. We would like to affiliate with you." We thank God for every pastor who finds us

Jack's August teaching: God Opposes People Who Are Proud. He Blesses His Humble Children.

This month we will study what the Bible teaches about pride and humility. I believe that any person who carefully studies and meditates on the Scripture references in this Bible study will find that our Father has given each of us very specific instructions pertaining to pride and humility. **Satan once was an archangel who fell from heaven because of pride.** See our website for the rest of Jack's message to you.

Judy's August teaching: Are You Blessing Others with the Gift of You? God created you uniquely.

Do you know what is the gift of you? Let's explore together to see what your special gift is. This is so much fun and it actually may change in different periods of your life. God tells you to bless others with who you are. You will be blessed to confirm what you already know! See our website for more.

Please pray for the United States, for the peace of Jerusalem, and for Lamplight Ministries at 12 noon.
With you we are truly blessed to be a blessing, (Genesis 12:1-3; II Thessalonians 4:17; I John 4:8)

Thank you for helping us sent 950 boxes of Lamplight books to reach over 700,000 hungry hearts in the nations of the world
