**From our SE Asia Director Dr. Gideon Tandirerung:** "Amazing! Today we got the PLDT Wi-Fi and telephone system installed in our place. I also installed the Zello set-up that you requested. We feel released now, because we have Wi-Fi and a telephone system installed. **Now we can communicate well.** Many days we were frustrated, and now it is just perfect, though still slow. Today, we went to a church nearby for worship and immediately we were friends with the pastor. I explained about ourselves and our mission with Lamplight. The pastor was so happy. **He would like to invite me to sit down and have lunch to discuss about working with him for a Bible study group using Lamplight materials. He is also interested to educate his members to be involved in the ministry. Maybe we can develop a Bible school with him.** He is active in missions and evangelism. The church is among the Muslim community mixed with many different people. We met some people from different countries as well. They use Cebuano language mixed with Tagalog and English. **Praise the Lord. The ministry is opened to us. Keep praying."**

**From our India Director Rev. Ebenezer Moses:** "Every day prayer is raised on the Cross-building property (50 acres) from 1:30 pm to 2:30 pm for various prayer requests of the people. I am appointing prayer warriors there to pray for the people. There are a lot of needs for this. I am believing the Lord to provide. Mum, the church is located in a very big slum where the very poor people are living. My whole family has been dedicated to minister to the poor people from the beginning. Around 250 people are coming for the Sunday morning service because I provide them a full vegetarian meal right after the service. This is very helpful for them because they get off from their daily work on Sunday and attend the church service. **They eat the best and full meal on Sunday lunch.** What a blessing! Glory to God! I enjoy looking at small children, young people, and old ones eating the meal with a great Joy- Mum, believe it, this gives me a matchless joy and I am very, very happy. **Apart from that, beggars are standing at the church entrance in the noon to get the lunch and they too are satisfied with the food which is provided by the LORD alone from the Heaven.** Faithfully, I am doing this for the past one year now. Praise the Lord. Hallelujah. **Kindly continue your prayers for me."**

From Antonio Sekyanzi in Uganda: 'Thank you so much once again for the sponsorship you gave me since 1995 when I was 17 years old in an orphanage home in Uganda. By then I was in high school. Today I am almost 40 years old. So far, I have translated five Lamplight books from English to Luganda language. **I have used these books as my Bible references while ministering and many people have enjoyed these**

books. My friend, Pastor George Tunusiime, gave me his testimony on one of my translated books: *TRUST GOD FOR YOUR FINANCES*: " I read your translated book and summarized it into seven pages for my daily devotion and weekly Bible classes. In doing so, I gave a copy to my boss at work. The following month, my boss called me in his office. He was so appreciative for the way how I trusted God faithfully and for that case he gave me a promotional letter as the assistant manager and my salary was 100% doubled and now I'm going to introduce my wife (be married) and pay dowry-Glory be to Jesus and here is your invitation card for the ceremony." "Yes, I attended the function and it was colorful...Praise be to God. Therefore, thank you, Dear Mum and Dad, for these ministry material books that you sent and permitted me to translate and use.'

Because of our expanded outreach, we ask for expanded prayer. Do let us know if you are praying.

For your health: Extra virgin coconut oil for skin moisturizer. I put coconut oil on my feet under socks at night. My fav food: fresh pineapple blended in the Vita Mix (blender). Yum!

Our Lamplight address will remain the same even when we move to NC. I have found the dream place for us to live in NC. Please pray for God's clear plan for us to unfold in His perfect timing.

Please pray for America, the peace of Jerusalem, and for Lamplight at noon. We pray for you with deep joy.

*With you we are truly blessed to be a blessing, (Gen 12:1-3; I John 4:8; I Thess 4:16!)*
