“Fear not, for I have redeemed you; I have called you by your name; You are mine. When you pass through the waters, I will be with you; And through the rivers, they shall not overflow you. When you walk through the fire, you shall not be burned, Nor shall the flame scorch you. For I am the Lord your God,” (Isaiah 43:1-3)

Dear Precious Lamplight family

January 2021 Volume 3333

I am writing to encourage you to rejoice that our God reigns! Rest in our heavenly Father's plan for our lives. Refuse to embrace fear. Perfect love casts out fear. Come to God as a little child. (Lucy and Lokie) Receive and bathe in God's love and be a vessel of God's love in Christ Jesus to everyone around you. (1 John 4:8)

Continue to breathe Psalm 91 all day long. Let it be the song in your heart. “Never let the fire in your heart go out. Keep it alive. Serve the Lord.” (Romans 12:11) Bonfire at our farm

News from Pastor Tonny and Carolyn in Kampala, Uganda

“Praise God, I believe each one of you is in the Reverent Awe of God. For what He is and why He created us different from all other beings!” (Go to <http://smashwords.com>, key in Jack Hartman and Judy Hartman to find the book, *Reverent Awe of God* that Pastor Tonny translated into Luganda and teaches from extensively and 16 more Lamplight books for free reading or downloading.)

“This month in our country, Uganda, everything has been characterized and influenced by General Elections of our Government leaders. For us, we have used these public holidays for being together in prayer to pray for our nation, for God's intervention for peace in our land. (Dear family, we must do the same for our nation. Be on our knees daily before our Father on behalf of our country.)

“My family and other three families have been at church (Lamplight-Church) throughout, for national prayer. Keep us in your prayers for peace the whole of this month!

“I thank God that I have been SO able to lead these families into strong faith and peace. I thank God for the authors of our book title. *Overcoming Fear*, because I have used this book to fulfill God's Word and plan for mankind. Our major scripture is PSALM 34:4: “*I sought the Lord and He heard me, and delivered me from all my fears.*”

“Thank you, Mum Judy Hartman, for this publication and authorship of this book.”

News from Dr. Gideon and Clarita Tandirerung in Sulawesi, Indonesia

SOUTH EAST ASIA REPRESENTATIVE, Griya Sudiang Permai Blok D2/4 - Sudiang, MAKASSAR, SULAWESI SELATAN-INDONESIA, gtandirerung15@yahoo.com, Tel: +62 085156335868

Merry Christmas even though it's late, and Happy New Year 2021. God is always good no matter what situation we may be facing. The pandemic news still at the top of media headlines in the country, and the government even enforces strict laws on social distancing. Yet more victims. The President of IAKN, the school where we teach is being hospitalized at LAKI PADADA Hospital in Tana Toraja because of Covid-19. It's been 8 days of hospitalization. We continue to pray for the power of the Lord Jesus to heal for the glory of His name.

Entering the New Year 2021 sad news continues to come in a row as follows: Earthquake in Majene and Mamuju. The hospital collapsed to the ground, and the Governor's Office collapsed to the ground as well. Many are still missing apart from dying and being buried in ruins.

Hospital collapsed

Governor office collapsed

There are 25 places around the country experiencing earth quake, flood, and sliding road. Manado city in the Northern Part of Celebes is flooded, also Bogor, West Java, Jember (Central Java), South Kalimantan.

City of Manado flooded (North Sulawesi)

Jember(Central Java) also flooded

Sriwijaya Air missing

Possible Tsunami will Kick Padang(Sumatra)

Sliding is happening in many places

Helicopter fell down in Pontianak

I feel that this is the time when the topics of Lamplight's book will be very relevant to conditions around the world, especially in Indonesia. Since everything we can do is only at a distance, for example Distance Learning, meetings, seminars, training, etc. Therefore, we got the idea that Lamplight can be read by many people by offering Lamplight Global University. With this program everyone who follows the lesson will read Lamplight books automatically. All books will be categorized into lessons because each chapter in the Lamplight books ends with questions and self-tests. This will motivate them to read and study God's Word.

We are struggling to move from the house we are living now because the contract expires in June, 2021 and the environment is hostile because we are in a society of different faiths. 4 of our cats have been killed, and yesterday we had one more food poisoning. We are quite worried about this situation that we want to move place, and we are looking for it. Because Covid-19 we are just at home to work but communicate via Zoom or

telephone. We are praying that God will give us a residence as well as a representative office for Lamplight in Southeast Asia. Ideal place to buy because it is cheap. To buy land and then build is low but there are two things we think about, namely: The contractor cannot be trusted, and if our contractor comes from outside it is expensive and there is Covid-19. The second thing is, there are many buildings that are now for sale rather cheap and ready for use, but because the economy has fallen sharply, the purchasing power is very low, so the selling price is relatively cheap. If this is good then below is a picture we are praying for. If God is pleased to provide a place to live and an office at the same time that is ideal. Purchasing power is so low that the selling price is relatively cheap. If this is good then below is a picture we are praying for. If God is pleased to provide a place to live and an office at the same time that is ideal.

The building beside(left) cost 580 Rp million = \$ 35.000 plus, and the one (right) Rp. 500 Million = is also \$ 35.000.

Pray with us as we pray for you to ask God provide our Lamplight Global University in South East Asia. The Lord is our provider.

I listen to the Bible daily on <http://biblegateway.com> as well as go through my One Year Bible. Jesus is found in every book of the Bible. In God's timeline, our time on this earth is winding down. In fact, Jesus could appear in the air any day! Live as if Jesus is coming in the next hour! Who must you tell? (I Thessalonians 4:16-18)

I find <http://praisemoves.com> to be the best place for focus on Scripture and exercising at the same time. My goal is to be limber for riding horses☺

You light up my life when I hear from you☺ So thankful that together we are blessed to be a blessing, (Genesis 12:1-3)
