### **Pastor Ebenezer and Sybilee in Salem, India**

Answered prayer-**Pastor Ebenezer is home from the hospital and recovering from life-threatening illness.** How very thankful we are.

### **Pastor Tonny and Carolyne Ssekyanzi in Kampala, Uganda**

**Architectural plans for the Christian school,** with two rooms completed already, have been beautifully designed by my childhood friend, Jan Vail. -See it on our website!

From Pastor Tonny: "Praise God! I am what I am today because of you and Jack. It was 1996 when I first heard about your name and passionate love and care towards my life through GodLovesKids. Being an orphan boy, your sponsorship made a great difference in my life. You picked me from the Ugandan forest bushes and dust of Nakaseke District to the classroom and to the pulpit at large. Glory be to God. I am now leading Lamplight Church in Uganda. I am proud of you."

### **Dr. Gideon and Clarita Tandirerung in Sulawesi, Indonesia**

Gideon just completed the translation into Indonesian of ***You Can Hear the Voice of God.***

That God supernaturally provides funds for **the cross building in India, the Christian school in Uganda, and the Lamplight Global University headquarters in Indonesia and for each of these remarkable men and their dear families as they live and spread the gospel of Jesus Christ.**

How very blessed we are to be a blessing, Gen 12:1-2; I John 4:8; I Thessalonians 4:15-18

I'm hoping for your email!
