Today rich soil arrives: vermiculite, peat moss, and compost. Seeds are chomping at the bit to be planted, grow, and harvest. Plant the seed of the Word of God daily and watch it grow and harvest! ***"But he who received seed on the good ground is he who hears the word and understands it, who indeed bears fruit and produces: some a hundredfold, some sixty, some thirty."*** Enjoy the Parable of the Sower, Matthew 13:1-23.

**From Dr. Gideon and Claire Tandirerung in Sulawesi, Indonesia:**

There are 5 widows that we help in two churches every month. We help each of them with \$100. There are some poor people in the church who need our help. We also gave \$350 assistance to two churches. One church is renting a hotel that must be paid for after each service. One church is building a small, modest house to be used as a residence for the pastor. We also help pastors with small income.

**From Pastor Ebenezer and Sybile in Salem, India:**

People are suffering a lot, especially the migrant workers and their families. I am doing all my best to support in every possible way. The poor in my home town need groceries and I have supplied them as much as possible. Many pastors and believers count me as a Bible scholar and discuss with me the present situation and future events. I explain what the Bible says about *The Rapture and the Second Coming of Jesus Christ*. I am very glad that you wrote this book. I believe the Lord alone lead you to

write this book and dedicate it to me. This is a great blessing. (Contact me and I will send it-\$14) It is history today!

**From Pastor Tonny and Carolyn Ssekyanzi in Kampala, Uganda:**

“Allow me to say thank you for the efforts of making Lamplight Church well established for now and the future. Thank you for the generous support for evangelism here in Uganda. Together we have been praying and planning for a primary school project at our church. Yes, I went ahead to communicate this issue to our church members and many of us rejoiced for the plan. From that time our youth church members promised to make blocks (building material) and indeed they have made them. When the lockdown began, four of them locked down themselves at the church building and decided to make effort to build two classrooms at the church. These youths have given me a surprise. Today, they have asked me if I can give them 74 iron-sheets for roofing. I said, “Let's pray” and we did. Praise God. The cost of roofing is \$2,500. The availability of water here made the work of making blocks easy. Thank you for providing us with a water well-a miracle. Thank you very much.

**This photo is our church member Recheal, who was neglected by the husband due to poverty caused by lockdown due to covid-19. She was left with 3 kids in the house to suffer, but miraculously she was happy to receive me and the envelope worthy \$50.**

Lastly but equally important, we are still locked down and I have made it possible to move by foot daily, to reach many of our church members by providing them with written (typed evangelical sermons) to meet their spiritual thirst and hunger for the Word of God. All handouts are made from Lamplight ministerial authored books of Judy and Jack Hartman. Thank you. Your publications so bless us.

Each of our dear men needs a vehicle. **Together agree with me for God's supply.**

We weep with joy that our Father cemented us with Ebenezer, Gideon, and Tonny, whose hands are extended to reach hungry hearts, hungry for bread and for the Bread of Life. Thank you.

I am so excited when I hear from you by phone, email, or note!

Together we truly are blessed to be a blessing, Gen 12:1-3; I John 4:8; I Thess 4:16-18!

*Judy*
