### Pastor Tonny's April Report

Dear Lamplight family,

Thank you very much for working for the kingdom of God. Thank you again for the support of Jesus Christ's work in Uganda. Lamplight Church is developing because of your generous giving. "Truly, I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did it for me." (Matthew 25:35-40).

Allow me to give you a picture of how we minister through your generous giving.

Every month we reach out to needy believers and non-believers to give them the message of the kingdom of God (Good news of our Lord Jesus Christ - the gospel). I use the Lamplight authored books of dear Judy and Jack Hartman. We spend a lot through transport, feeding, printing, photocopying, translating from English to our readable local languages for our people to know the gospel of our Lord Jesus Christ

and conduct church meetings.

Through our church ministers, we distribute the well summarized sermons, Scriptural cards and Memos to the community, schools, and hospitals. My wife, Carolyn, told me: " We are the Lamplight." She initiated door to door ministry. Carolyn and the team have always received transport and other facilitations to reach out to several families and market places for supplying Lamplight readable materials. This

has helped to win people for Christ and, also, to do what we call general follow-ups, especially to the ones who are newly born of God and get saved through our ministry.

Lastly, but equally important, pray for our church, since last month we lost a member who had been months without attending church services due to lock-downs. I learned that the death was due to covid19. Also, keep me in prayer, as I intend to begin an academic school for our church and community. Then we will be able to be self-supporting. Pray for capital resources. God bless you all. (He includes his expense report.)

I love you in the name our of Savior Jesus Christ.

Sincerely,

Pastor Tonny Ssekyanzi, Lamplight Church, Kampala, Uganda

**Dr. Gideon and Clarita Tandirerung: April Report, Sulawesi Indonesia**

Greetings in the name of the Lord Jesus Christ,

We hope you are doing fine as we are. As we are cornered between two big stones. Yet, we praise God, because He promised that as we have joy in every stormy circumstance, joy will turn to be a great blessing-joy is God.

Judy, we will stay for one more year in this house, as the owner is compassionately approving our request. Somebody promised to help us pay but no definite word yet from him.

I have just finished translating *Unshakable Faith in Almighty God* and *Reverent Awe of God* into Indonesian.

Gideon and Clarita Tandirerung, Sulawesi, Indonesia

Dear friends, this is a miracle. In Indonesia rent is paid years in advance. The landlord wants Gideon and Clarita as continued tenants and **someone in Indonesia has offered to cover the rent**. We thank our heavenly Father with all our hearts.

You are very important to me. **I am so blessed from you, so please jot a note to me or call☺** I am a and cherish you.

I once heard that if your vision is not bigger than to be completed in the natural, it is too small. we welcome our heavenly Father's supernatural for Lamplight Ministries, Inc.

(Gen 12:1-3; I John 4:8; I Thessalonians 4:16-18!)
