"As a Nicaraguan running away from totalitarianism, I am trying to setting down in Guatemala for the benefit and protection of my wife and 2 small boys. **Your book, "Trust God for Your Finances," provided me a method of getting my teeth into the Word of God.** It also provided me with the tools to rearrange my way of thinking about life, world, money, possessions, etc. May God bless you for helping beginners like me into His ways." (Guatemala, Central Africa)

“Your book, *Trust God for Your Finances*, caused me to be “born again” after I cried and prayed at 3:00 AM on January first and accepted Jesus. **Your book made me see a side of Jesus I’ve never known.** Being born again is a new life—a first step to a major rehabilitation—a major new change. Your book is, to me, the greatest book, next to the Bible.” (Connecticut)

### **Pastor Tony’s Report from Lamplight Church, Kampala, Uganda**

Dear Lamplight family, fellow believers in our Lord Jesus Christ, I salute you all in the name of our Father in heaven. My name is Pastor Tony Ssekyanzi from Uganda Lamplight Ministry. Allow me to keep you updated about what is going on here. Ever since the Covid19 pandemic started here, there has been so much domestic violence among the people around me. Some men and women have neglected their family responsibilities. Thanks goes to Judy Hartman, who was able to send food to the 16 vulnerable families that have been struggling due to Covid 19. The churches here in Uganda have just been reopened with a maximum number of 70 fellowshippers in order to maintain social distance and other health measures. This month of October, I have been active so much in doing individual counseling in an endeavor to reunite the broken families, as some families faced evictions by their landlords. At the moment, there are three families that still need our quick rescue. The Lord has been so faithful to me, as many families are getting back together. Attached, is a photo of mine, carrying out counseling with one of our church members. This very week, we had another family turning to Christ. This family was very much hit by witchcrafts. So, keep this family of Mrs. Namutebi Lydia in prayer, as I am doing my best to rehabilitate this family, so that they can wholly welcome Christ. Please, child of God, keep us in prayer for victory of this challenging moment. God bless you mightily. **In His service, Pastor Tony Uganda.**

## From Dr Gideon and Claire Tandirerung, Lamplight Southeast Asia

I am grateful for God's grace, protection and goodness as well as the moral support and prayers from God's children in the midst of Covid-19 which terrified many people around the world. We can continue to serve and survive because God is our leader, our King and our loyal Provider. Also, to the children of God who pray and support us, thank you. Due to Covid-19 in the whole world, Indonesia experiences and feels the negative impact of this outbreak. Indonesia's economy is currently below zero% growth. Many people have lost their jobs, and it is difficult to find food and jobs. Many were displaced, sick and eventually many died. People are prohibited from gathering, going to church, and getting together socially. As a result, all business is stuck. Business communication and education are only via the internet. Parents and children are not familiar with technology. Students demonstrated to demand President Jokowi to step down, but the officers were still able to handle the situation.

This morning, it was reported that earthquakes occurred in several places from Sumatra to East Java. An earthquake in Jepara Java Sea was felt as far as Bali. We can only communicate or teach via the Internet. Most of the time we are working from home. We plan to offer people Lamplight books to match the problems facing our society. We are planning a Lamplight website in Indonesia that can directly serve the spiritual needs of many people where they can download directly in Indonesian. Also, we are ready to teach English through Literacy and Evangelism, Int'l.

Please let me know if I can be a blessing to you in any way. I'm looking to hear from you 😊 Did I do a somersault? You will just have to guess! With you, we are blessed to be a blessing,

Gen 12:1-3; I John 4:8; I Thess 4:16-18

*Judy*
