February 2021 Volume 3335

Dear Lamplight family:

Read on to see what you can do!

Spread the love of God like wildfire!

" Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not love, I am nothing. And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing." (I Corinthians 13:1-3)

Imprint I Corinthians 13 on your heart. Smile God's love to everyone.

Take a look at what others have said:

(Page 1 Continued on Page 2)

Edward C. Hiers, CEO, Northeast Planning Associates, Bedford, NH
(<https://northeastplanning.com>)

"Jack lived in awe of the Bible, but more in awe of its Author. Jack believed that what the Holy Spirit led men to write all those many years ago is still fully applicable in current days. Jack strongly believed the Bible was to be taken literally in all of its 66 books. His dedication to meticulous research was the hallmark of this wonderful book.

"If you have wanted to find a way to really grow in your knowledge of the Bible, I would strongly recommend that you spend time reading and studying Jack and Judy's book. You won't be disappointed."

Dr. Kenneth Friendly, Pastor, Lighthouse Christian Fellowship, Anchorage, Alaska (<https://lighthousealaska.org>)

"I have personally been impacted by the writings of Jack and Judy Hartman for nearly four decades now. They have knocked the ball out of the park again with *How to Study the Bible!* This inspired book is so timely and needed for this generation. They have compiled their years of study and put it into a simple and straightforward work that's sensational. **I've even discovered some new study aids!**

"In Jack and Judy's distinct, refreshing, bright, and bold way of communicating the truths of God's Word, I'm confident the reader will come away eager about studying the Bible.

"Following the recommendations in *How to Study the Bible* will increase your consecration and faith. **It will help you tap into God's divine guidance system and be transformed by His power.** I highly recommend this book. It will exhort you, teach you, and bless you."

Rhonda J. Malkmus, Co-founder: Hallelujah Acres, 1992, The Hallelujah Diet, (<https://myhdiet.com>)

"What a privilege it is to be asked to write an endorsement for our dear friend, Judy Hartman of Lamplight Ministries, for this wonderful book, *How to Study the Bible*, that Jack composed and Judy is adding to and re-releasing!

"Having become a Christian over 50 years ago, by God's grace, I have read the Bible from cover to cover a multitude of times. Its truths are always refreshing and encouraging, but until you delve into the "meat", rather than just the "milk" of the Word, you are missing so much that God has intended and desires for you to know! His greatest desire for you is a personal, deep relationship, guided by the Holy Spirit that encourages you during the difficult seasons of your life and lifts you up when the world fails you. A daily relationship where He walks and talks with you is worth every effort it takes to attain such a blessed fellowship!

"This wonderful resource is a must for any Christian library that gives you step by step instruction on just how to dig deeper into God's Word and how to retain what you've learned, so that God's Word truly becomes a "lamp unto your feet and a light unto your path" on a daily basis. "May He direct your steps as you seek to learn and grow in Him!"

Pastor Brett Robinson, Senior Pastor, Calvary Chapel
Palm Harbor, Palm Harbor, FL (<https://ccpalmharbor.org>)

"In *How to Study the Bible* you are presented with sensible and practical approaches to Bible Study. Throughout this book, Jack and Judy passionately share the fruit from their years of experience and gleanings from studying the Word. **I felt like I was personally sitting with them as they dispensed the treasure of study.** My hunger was piqued as I read and reflected on my own pursuit of the Word."

Pastor Ebenezer Moses, Founder/Pastor India Gospel Fellowship and
Shepherds Council of India, Salem, India
Lamplight Director to India

"How beautiful that the book, *How to Study the Bible*, starts with "Why should anyone study the Bible and the importance and blessings of studying the Bible. The authors sharing their methods of studying the Bible is encouraging and a great example. The authors beautifully and strongly establish that the Word of God is the only solution to every problem. This point leads people to study the *Bible* carefully.

"Judy and Jack establish the fact strongly that the Author of the *Bible* is God Himself. **It is so beautiful that they establish the fact that salvation or the born- again experience is the basic requirement to understand the *Bible*.** In this book only we can see the role of the Holy Spirit in teaching the Word of God. It is very interesting to know that Satan does not like a regular *Bible* study. We can't find these kinds of facts anywhere else, which makes this book a special and meaningful one.

"Listing 23 topics attracts anyone to start a topical *Bible* study. I appreciate the emphasize of meditation of the Word of God which is the central and important part of studying the Word of God. **Filling the mind with God's Word, memorizing the scriptures, speaking the Word, and practicing the Word are wonderful revelations from the Holy Spirit and precious lessons for a diligent *Bible* reader.**

"I am pretty sure that the diligent reader of this book not only will be blessed himself, but will become a great blessing to others, also, by becoming an effective *Bible* teacher. This book surely will equip many *Bible* scholars. I praise Almighty God for giving outstanding knowledge and wisdom to the authors, Jack and Judy Hartman."

Dr. Gideon Tandirerung, Lamplight Director to Southeast Asia

"The authors, Jack and Judy Hartman, see the Bible as being detailed to every word as the Word and the only incomparable guide to living in a corrupt world. The authors see the Bible as absolute spiritual food that becomes a light for all our ways on earth. They see the Bible as a multi-functional active book, as a scalpel, a body and soul separator, a modifier, an analyzer, and as a judgment (Page 3 Continued on Page 4)

of the mind, the intent and the motivation of the human heart. The Bible is sharp like a double-edged sword, penetrating, dissecting and always giving new energy. The authors believe that the Bible is unwavering, like a rock, that we need to study it regularly and carefully, reflect on it with prayer and the guidance of the Holy Spirit.

"The authors lay the foundation for studying the Bible, like the strongest rock, in order to understand the absolute truth in it. **The truth is understood only by the guidance of the Holy Spirit.** God is the Author of the Bible. Jack inspires his students to study the Bible by topic or subject, with an open heart and ponder it day and night. Judy's method that leads to its application, includes the Word starting in the heart and then being spoken with the mouth.

"This is a very inspiring book because the use of applicative hermeneutics can make it easier for us to digest and understand God's Word for our lives."

Wesley B. Rose, Ph.D, "Dr. Ley"

Light of Christ Ministry/Scripture Institute

"I have known of Lamplight Ministries, Inc. for many years and the Hartmans personally almost as long. Meeting them through the ministry changed my life. Through my privilege of reading many of their books, my life as a Christian and as a minister began to gain both depth and breadth.

"I began to do more and more; become involved in more and more ministries; discovered the meanings of Scripture which increased my desire to learn, explore, and look inward. The Scriptures truly began to live in me. It was a journey that (through Jack and Judy) I knew would not end until my last day. It was exciting, daunting, and, above all, life-changing.

"That is one reason why this book is important to every Christian, young or old, to the curious heart, to those searching and to the lost-those yet to receive the redemption waiting for them. **There are numerous texts, courses, and other materials available today, but none that teach the heart, feed the spirit, or change lives like this book.** It is one of many. It is one great resource for getting personal with Scripture and with God, and is the one book I recommend for those wanting to grow close to God and learn the fullness of salvation-how they were redeemed by the blood of Christ.

"Read this book, use it, and make sure to share with others the name of this book. I can never thank Lamplight enough-Judy today and the entirety of the ministry she and Jack shared with me."
