## **Goal: Open Lamplight High School in Uganda in January 2022!!!!!!!**

Pastor Tonny has degrees in both education and ministry. His professionalism and knowledge of how to establish a high school is brilliant.

Our vision:

- For Lamplight High School to open Jan 2022
- **Lamplight High School will be self-supporting by April, 2022**
- We have the 4 classrooms (two in the church; two in the school)
- We need 10 teachers (8 for school; 2 for sewing school in the evening)
- Must build a cafeteria (\$10,000)
- Monthly overhead: \$2,000
- Parents will pay monthly tuition
- **The door is open to be part of the greatest school in all Uganda!!!!!!!!!!!!**

**From Lamplight Missionaries to Indonesia: [gtandirerung15@yahoo.com](mailto:gtandirerung15@yahoo.com)**

- Indonesia braces for worst-case coronavirus scenario
- Indonesia: top of all country in Covid-19 victims (around 48,000 people a day; the average death was almost 1000 people per day. Our only option is to follow the health protocol. We just stay at home.

Daily reports: most of God's servants who died were from the Pentecostal Churches who continued to hold regular services.

Broadcasting live every day from home is an ideal plan, an effective way to use technology to facilitate and witness directly to people according to their needs and according to Lamplight's books availability per topic.

- Due to the situation, **we are continuing to translate Lamplight books** so that they are available as soon as possible for use as Lamplight

Global University materials. (LGU).

- There is a close friend of mine named **Kembong Mallis** who has worked with Evangelical Christian Publications. He has expressed his willingness to be our editor when he officially retired. Now he is still on the island of Nias, west of Indonesia, close to the Tsunami that happened in Aceh area. He will depart as soon as possible from Nias Island and head to Makassar and **start working on our work as the main reader of the translation of Lamplight's books, also as an editor, and at the same time, preparing counseling services** for those who are interested in reading Lamplight's books as material that is directly related to the problems they face.
- I'm turning my head to give us a tiny bit of his work for \$200 per month.
- **Brother Zakaria Gojang has offered to join us.** I hope that he can help us in the field of marketing. He is also a servant of God and is used to doing business.
- The Lord always bless you all. *Gideon and Clarita*
