We invite you to partner with us, especially in prayer, to reach souls and make disciples in all nations

August 2021 Volume 3340

Dear treasured Lamplight family:

Urgent Need for Prayer

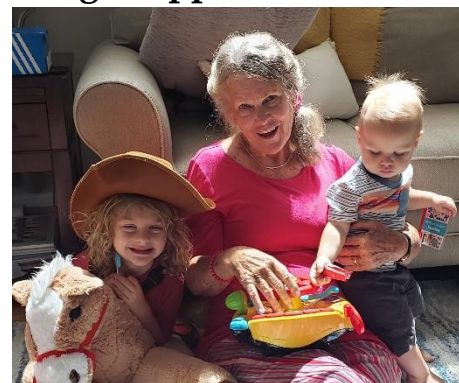

****For healing for Dr. Gideon and Claire Tandirerung in Indonesia and Pastor Ebenezer Moses and his family in India.** We thank our Father for His Word and the resurrection power of Jesus Christ. "He sent His Word and healed them, and delivered them from their destructions. Oh, that men would give thanks to the Lord for his goodness, and for His wonderful works to the children of men!" (Psalm 107:20-21).

*****"Then he said to me, 'Write, 'Blessed are those who are invited to the marriage supper of the Lamb.' And he said to me, 'These are true words of God,'" (Revelation 19:9).**

Be absolutely certain that you know that you are invited to the marriage supper of the Lamb.

See our website under "Salvation-a Free Gift." If you are receiving Jesus Christ right now, please contact me. I will celebrate with you. We celebrated Jordan, grandson, and Lucy, great granddaughter', birthdays this month☺

Lamplight Global University: The Breakthrough Jack Dreamed of!

*****Jack's heart's cry has come to pass! Go to <https://lamplightglobaluniversity.org> to see what Nikki Trott (see info@ninjastudios.com) is developing. LGU will be free with our focus upon equipping pastors and leaders in developing nations-a huge number have had no Bible training. Planning to open in November, LGU will consist of a curriculum for studying Lamplight books, listening to Jack's mentoring and Scripture-filled audios, and the mentorship of our three Lamplight missionaries, Dr. Gideon**

Tandirerung in Indonesia, Pastor Ebenezer Moses in India, and Pastor Tonny Ssekyanzi in Uganda in Zoom meetings.

***Frank Pugh, a dear friend from Calvary Chapel, Palm Harbor, transferred Jack's recordings from cassette tapes to mp3's, including classics from the 1980's when Jack taught the beloved Tuesday night Bible Study at Faith Christian Center in Bedford, NH. I am doing somersaults over the reality of Lamplight Global University. Please pray regularly that LGU will equip thousands of pastors to proclaim the gospel and make disciples in all nations.

Lamplight Church Adds Lamplight High School in Uganda

***Tonny Ssekyanzi is the boy whom Jack and I sponsored through God Loves Kids. Tonny, now 43, a credentialed high school teacher and an ordained pastor who pastors Lamplight Church in Kampala, Uganda. God knit us together 29 years ago as mom and son.

***Lamplight High School will be adjacent to Lamplight Church. You must hear Tonny's passion for the gospel and for Christian education on our Zoom meeting where Tonny tells his life story, including living in the bush for two years with his three brothers during the civil war, heart wrenching. In our October newsletter I will give a link for you to watch it. Your mouth will drop open!

A Global Architect to Design the School!

***God connected me back with a childhood classmate, Jan Vail, at a San Marino High School class reunion in October of 2019. I prayed about where to sit at the dinner table set for 30 and sat next to Jan. He told me how he had become a Christian and had been on a missionary trip to Uganda where he designed a church. He had spent his architectural career doing projects across the globe, including designing two communities in China.

***As Pastor Tonny and I were planning Lamplight High School, I kept thinking that I should call Jan and tell him about our project of building a high school as part of Lamplight Church in Uganda. I finally called Jan in May, 2021. He came on board with a lifetime of architectural masterpieces.

***So, Pastor Tonny, Jan and I have met twice on Zoom for an hour and a half each time as we develop the plans for Lamplight High School. Jan is designing Phases One, Two, and Three of Lamplight High School. The exciting news is that the school will become self-supporting in the second quarter. We are in awe of what God is doing and are honored beyond measure to be part of it.
